P 6502 Long Life  
swiss made  
- 2010 -

Inspired by the look and success of our military watches, this new timepiece was specifically designed to meet the needs and desires of the outdoor and adventure enthusiasts. Adding to the theme of long life, we added a lithium battery. The P 6502 Long Life holds up to every adventurer.

Inspired by the look and success of our military series, this new timepiece was specifically designed to meet the needs and desires of the outdoor and adventure enthusiasts. Adding to the theme of long life, we added a lithium battery. The P 6502 Long Life rises to the challenge of any activity and adventure.
